

Artech is the #11 Largest IT Staffing Company in the U.S.

Artech's Size — Artech generated \$338 million in 2013 and we currently have over 5800 employees.

National Presence — Artech has locations coast-to-coast across the U.S. and contractors in 49 states.

Global Reach — Artech has offices in the U.S., India and China, with additional contractors working in Canada and Mexico.

Diversity — Artech is a minority- and women-owned business enterprise (MWBE).

Growth — We are a fast-growth company and have generated a year-over-year average growth rate of 39% since 1999. Additionally, we've acquired companies in Rockville, MD and Seattle, WA during the past three years to extend our client-facing support and to supplement our organic growth.

Quality Certifications — Artech is ISO 9001, ISO/IEC 27001, and SEI-CMM Level 2 certified.

Artech has developed a unique employee-contractor relationship and communications program called "Outbound HR" that helps retain talent, motivate workers, set career-pathing objectives, and generate new opportunities (redeployment) for its contractors.

- Each contractor-employee is assigned a Talent Management Specialist (TMS) who provides on-boarding support and serves as the point of contact with any questions relating to benefits, training, career-pathing, and re-deployment.
- Artech's Self-Service system empowers the contractor-employee to enter personal information, time and expenses, view benefits if eligible, and update tax forms.
- Artech encourages its employee-contractors to attend training programs to develop skills in their related functional processes, quality and latest technologies.
- Employee Referral Bonus Program - Get paid to refer someone you know to Artech!

Artech's EEO Policy

Artech Information Systems LLC provides equal employment opportunities (EEO) to all employees and applicants for employment without regard to race, color, religion, gender, sexual orientation, national origin, age, disability, marital status, amnesty, or status as a covered veteran in accordance with applicable federal, state and local laws. Artech complies with applicable state and local laws governing non-discrimination in employment in every location in which the company has facilities. This policy applies to all terms and conditions of employment, including, but not limited to, hiring, placement, promotion, termination, layoff, recall, transfer, leaves of absence, compensation, and training.

The Recruiting Process

Your new career is just a few steps away. For your convenience, here is a summary of the steps you will go through during the job search.

1. Search Artech’s open job positions at our Artech US Jobs database — www.artechusjobs.com — and submit your resume online. We will contact you when your skills are a match for an open job position.
2. We will conduct a telephone and/or in-person interview with you to share details about Artech, our clients, and potential job opportunities. We will also discuss your background and career goals.
3. If required by our client, we will ask you to complete technical testing for qualification.
4. If you are a good match, you will have the opportunity to meet our client through an on-site or telephone interview.
5. When a decision is made, we will contact you immediately.
6. Before you are hired, we will conduct a confidential background check and employment eligibility verification.
7. Once hired, and as part of the on-boarding process, we will provide you with everything you will need for your first day at work.
