

Artech Ranked #4 Fastest-Growing US Staffing Firm by SIA

CEDAR KNOLLS, NJ – July 13, 2010 – Artech Information Systems LLC announced today that it has been ranked #4 in Staffing Industry Analysts' 2010 "List of Fastest-Growing US Staffing Firms." The SIA listed Artech's compound annual growth rate (CAGR) as 48% from 2005 through 2009, based on Artech's US staffing revenues of \$45 million to \$216 million during that five-year period.

"We maintained our focus during 2009 despite the difficult economy," said Artech president, Ranjini Poddar. "Each and every Artech employee stayed motivated and contributed to our growth, and that's a truly positive indicator that we're going to continue to grow."

Artech rose from the #12 spot last year to the #4 position this year, and is now the only global diversity staffing company ranked in the top 5.
